

NFT SKYBAR
& RESTAURANT

DEAR GUEST

Have you ever imagined what it would be like to experience a digital life in the metaverse? Well, we've turned that imagination into reality in the form of the metaverse: the artcoin expression of nhow Frankfurt.

A unique collection of digital art created especially for the NFT SKYBAR & RESTAURANT by artist David Zucker, each of the signature cocktails have been reimagined and elevated into elements of the metaverse. You can become a member of the metaverse by purchasing your own cocktail art NFT, giving you a piece of the alternate universe.

Limoncello, Tonic, Sparkling Wine

14

A LIMONCELLO BATH IN THE DARK

In some corner of the metaverse, a silhouette moves through the lemon tides as a fish moves through the universe: floating through time, amidst an aura of quantum dreams and flashes that break through the darkness.

OLD CUBAN

Havana Club, Vermouth, Sparkling Wine

17

BETTER TO DRINK STANDING THAN TO DRINK ON YOUR KNEES

In the old Cuba of the metaverse we have built a large figure of Che Guevara and, like a Golem, we have brought him to life so that he can taste the cocktail that has been created in honour of the island he loved so much. As he tasted the first sips his eyes widened and exhaled excitement.

SAY HELLO TO THE QUEEN

Dry Vermouth, Sherry, Maraschino

16

ROCK WITH THE QUEEN

The queen of hearts illuminates every corner of the metaverse singing to the rhythm of rock. She doesn't want to rule you, give you orders, or guide your destiny; she just wants you to break free. The white rabbit has arrived on time, the caterpillar has smoked his pipe, everything is ready for the recital to begin: it's time to rock.

Tomato Water, Serrano Peppers, Citrus Vodka

13

METaverse TOMATO SOUP

Andy puts on his virtual reality goggles transforming into an avatar half submerged in a lake of Campbell's tomato soup.

TEA TIME MONA LISA

Lemon Grass, Ginger, Green Cardamon

12

DIVING INTO THE DEPTHS OF ICED TEA

After hundreds of years, the Mona Lisa has escaped from her two-dimensional prison and plunged into the metaverse, where she has transformed into a being full of life, thirsty for experience and sensations.

GERMAN MULE

Jägermeister, Lime Juice, Ginger Beer

14

GERMAN MULE TAKIN' THE WAVE

The German mule, on her surfboard, sails the seas of imagination. A metaverse whose limits are the circular edges of a cocktail glass and whose bottom reaches the abysses of dreams and desires.

Gin, Vermouth, Olive, Asparagus

16

BIRTH OF VENUS ON THE METAVERSE

On a bed of asparagus, a cocktail glass appears, and from it, a Venus is born. Split in two: the celestial Venus, made of energy and pixels, and the earthly Venus, made of flesh and temptation.

WHISKEY SOUR

Bourbon, Lemon Juice, Agave, Rosemary

15

THE SHINING OF A DREAM IN THE METAVERSE

Jack sat at the empty metaverse bar and ordered a Whiskey Sour from Lloyd, his virtual bartender. At the first sip, sensations overcame his senses: an aura of colours surrounded him, a surreal holographic light took over the place and his mind was invaded by multiple ideas and simultaneous daydreams.

Amaretto, Lemon Juice, Eggwhite, Cider

16

FRANKFURT FIZZ

Everybody travels to Frankfurt tonight. The place in the metaverse where experiences are unleashed, emotions escape from their cage and the senses are delighted with infinite moonlit proposals.

Kyrö Dark Gin, Maple Syrup, Sherry

16

BANKSY'S RAT DISCOVERS THE METAVERSE

After 15 years trapped in a wall in Utah, Banksy's rat has discovered a space-time hole that leads him to the metaverse. Now he can break out of the two dimensions in which he was locked and explore a three-dimensional world full of fun and dreams.
