# NFT PINK SPRITZ

NFT Pink Grapefruit Liquor, Prosecco, Sparkling Water

16

## **NFT PINK SPRITZ**

BE BRAVE. BE BOLD. BE PINK.

Imagine a warm summer night, those fun fair feelings, a sky covered in pink, surrounded by juicy people and a refreshing atmosphere - just like grapefruit – just like this drink, especially created for this bar!

# LIMONCELLO CELLO SPRITZ

Limoncello, Tonic, Sparkling Wine

16

## A LIMONCELLO BATH IN THE DARK

In some corner of the metaverse, a silhouette moves through the lemon tides as a fish moves through the universe: floating through time, amidst an aura of quantum dreams and flashes that break through the darkness.

# OLD CUBAN

Rum, Vermouth, Sparkling Wine

18

## **BETTER TO DRINK STANDING THAN TO DRINK ON YOUR KNEES**

In the old Cuba of the metaverse we have built a large figure of Che Guevara and, like a Golem, we have brought him to life so that he can taste the cocktail that has been created in honour of the island he loved so much. As he tasted the first sips his eyes widened and exhaled excitement.

# SAY HELLO TO THE QUEEN

Dry Vermouth, Sherry, Maraschino

18

## ROCK WITH THE QUEEN

The queen of hearts illuminates every corner of the metaverse singing to the rhythm of rock. She doesn't want to rule you, give you orders, or guide your destiny; she just wants you to break free. The white rabbit has arrived on time, the caterpillar has smoked his pipe, everything is ready for the recital to begin: it's time to rock.

Tomato Juice, Serrano Peppers, Citrus Vodka

17

### **METaverse TOMATO SOUP**

Andy puts on his virtual reality goggles transforming into an avatar half submerged in a lake of Campbell's tomato soup.

Homemade Lemon Grass Syrup, Ginger, Green Cardamon

15

### **DIVING INTO THE DEPTHS OF ICED TEA**

After hundreds of years, the Mona Lisa has escaped from her two-dimensional prison and plunged into the metaverse, where she has transformed into a being full of life, thirsty for experience and sensations.

# GERMAN MULE

Jägermeister, Lime Juice, Ginger Beer

15

## GERMAN MULE TAKIN' THE WAVE

The German mule, on her surfboard, sails the seas of imagination. A metaverse whose limits are the circular edges of a cocktail glass and whose bottom reaches the abysses of dreams and desires.

---

Gin, Vermouth, Olive, Asparagus

17

### **BIRTH OF VENUS ON THE METAVERSE**

On a bed of asparagus, a cocktail glass appears, and from it, a Venus is born. Split in two: the celestial Venus, made of energy and pixels, and the earthly Venus, made of flesh and temptation.

# WHISKEY SOUR

Bourbon, Lemon Juice, Agave, Rosemary

16

## THE SHINING OF A DREAM IN THE METAVERSE

Jack sat at the empty metaverse bar and ordered a Whiskey Sour from Lloyd, his virtual bartender. At the first sip, sensations overcame his senses: an aura of colours surrounded him, a surreal holographic light took over the place and his mind was invaded by multiple ideas and simultaneous daydreams.

# FRANKFURT FIZZ

Amaretto, Lemon Juice, Eggwhite, Cider

17

## **FRANKFURT FIZZ**

Everybody travels to Frankfurt tonight. The place in the metaverse where experiences are unleashed, emotions escape from their cage and the senses are delighted with infinite moonlit proposals.

# BANKSY

BANKSY

DAVID ZUKER

Gin, Maple Syrup, Sherry

17

## **BANKSY'S RAT DISCOVERS THE METAVERSE**

After 15 years trapped in a wall in Utah, Banksy's rat has discovered a space-time hole that leads him to the metaverse. Now he can break out of the two dimensions in which he was locked and explore a three-dimensional world full of fun and dreams.
